Papers from the Networking Group on 100 % organic feeding

The Networking Group was established during The International Conference "Amino acid supply for poultry and Pigs when feed is 100 % organic" held at Koldkaergaard Conference Centre 4th November 2010.

Den Europæiske Union ved Den Europæiske Fond for Udvikling af Landdistrikter og Ministeriet for Fødevarer, Landbrug og Fiskeri har deltaget i finansieringen af projektet.

On this page, You will find the published papers from the Networking Group in english.

The group consists of 30 persons from 10 different countries. The aims of the group is by networking activities, amongst others paper writing, exchange of knowledge, information on present and future activities to pave the way for 100 % organic feeding of monogastrics in Europe.
