Bluer Baltic Sea

session at the conference, A Greener Agriculture for a

Dear exhibitors,

You have registered to represent your company/project with a stand at our conference, A Greener Agriculture for a Bluer Baltic Sea 24 October 2012 from 17:00-18:30 during our Poster and Mingling session.

Please find attached drawing of where your stand is situated.

Important

Please be aware that your stand should be **set up between 10:30-17:00 on 24. October** and your stand should be **removed before 19:00 on 24. October**, because the Bella Center has to clean up the premises to make ready for our breakfast and meetings next morning.

Finally, please also make sure that if you need a computer for the exhibition, you need to bring your own fully charged laptop, as it will not be possible to recharge it in the exhibition room.

We look forward to seeing you at the conference and to learn more about your company/project.

With best regards,

Britt H. Ravn on behalf of

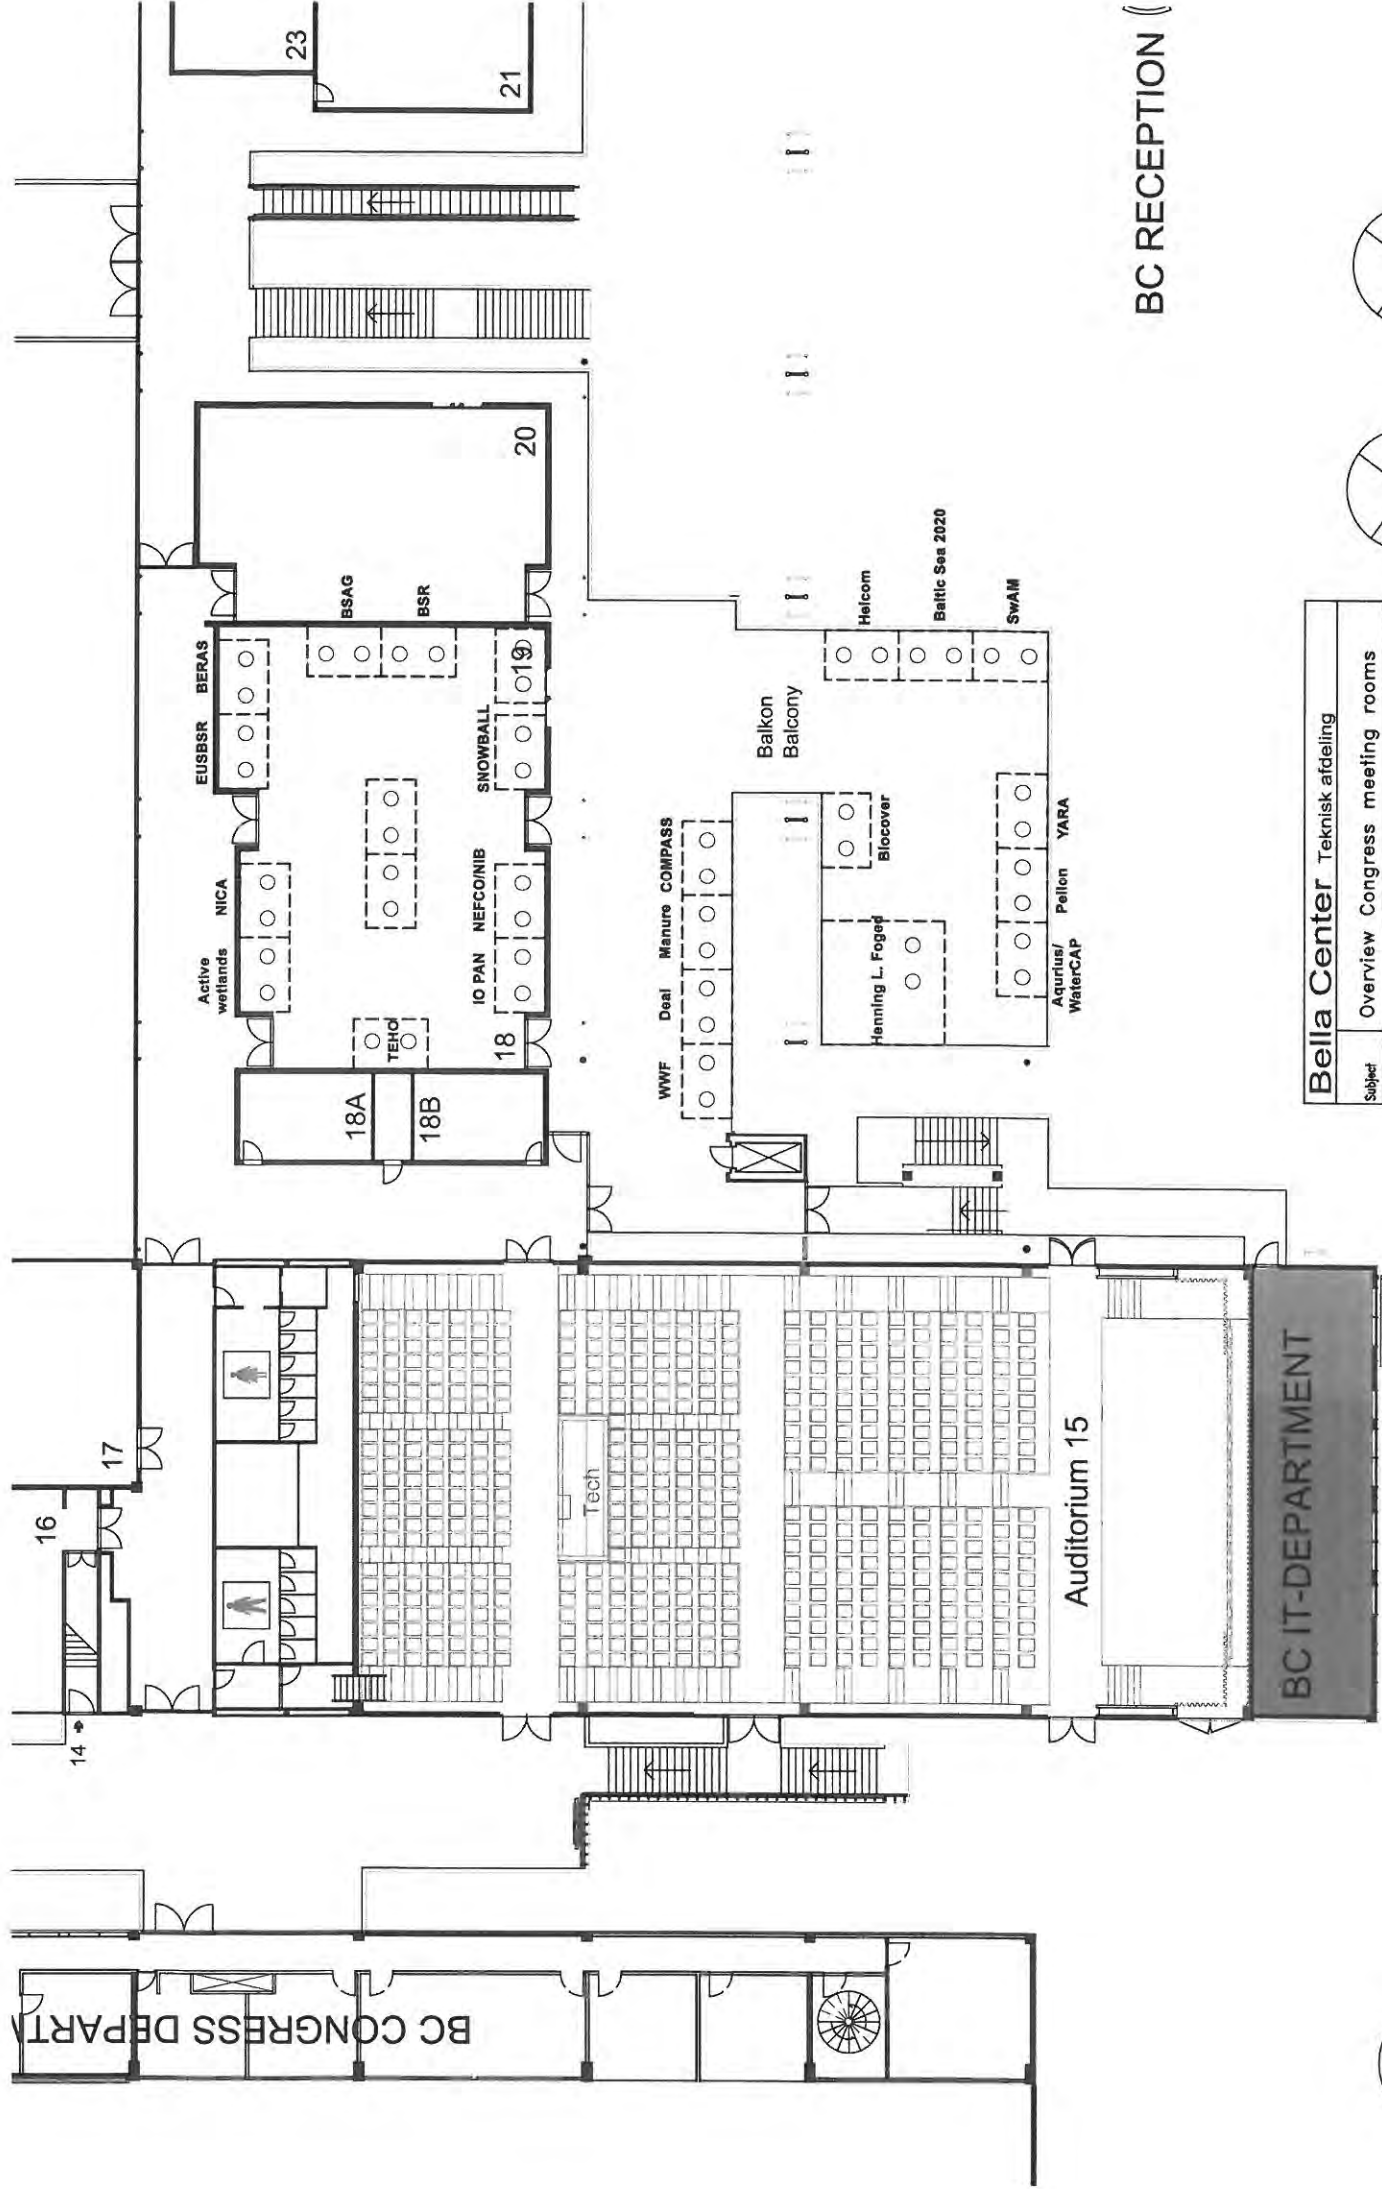

Paula Biveson, Baltic Compass, paula.biveson@bsag.fi,

Frank Bondgaard, Baltic Deal, fbo@vfl.dk

Knud Tybirk, Baltic Manure, kt@agropark.dk

Ottilia Thoreson, WWF Sweden, ottilia.thoreson@wwf.se
