

## BioChain – Project partners study tour

The BioChain researchers are invited to participate in a study tour to

- Fredericia Spildevand A/S
- Maarbjerg Biogas
- Research centre Foulum.

The project will pay for transportation from Fredericia and the Lunch at Foulum, but you will individually have to pay for accommodation and dinner in the evening.

### Dates

Thursday the 23<sup>rd</sup> of January 2014 till Friday the 24<sup>th</sup> of January 2014.

### Program

Thursday 23 <sup>rd</sup> Jan.	9:45	Participants are picked up by the bus at Fredericia Central station
	10:00-12:00	Fredericia spildevand A/S is visited. Operation manager Annemarie Gotfredsen will introduce the participants to biogas production and to upgrading of biogas.
	12:00-13:45	Transport to Research centre Foulum where Søren O. Petersen will host us
	13:45-15:00	Lunch.

An overview of research at the research centre is given by Søren O. Petersen.

15:00-16:30

Visit the biogas research facilities and presentation of the pilot plant and to research facilities used to measure greenhouse gas emission from manure. Søren O. Petersen.

16:30-

Depart for Herning, where we will eat dinner and stay overnight.

Friday  
24<sup>th</sup> Jan.

8:30

Visit to Maabjerg Energy Concept. Senior consultant Alan Lunde will give a presentation of the plant and we will see the facilities.

Driving back to Fredericia
