### Hotel

Hotel Ibis Amsterdam City West  
Transformatorweg 36

The hotel is not in the city centre but only 7 minutes walking from the meeting venue. There is a bus from the hotel directly to Amsterdam Central Station. I made a block booking. This is valid until next week. You will get a reference number from me when I know how many of you will attend. Then after next week I will send you this number which you should use when booking. This guarantees you a room and some 30 euros discount. Price will be € 79 per night plus 5% city tax.
