Dear Sir/Madam,

You have been invited to participate in the Natura 2000 Seminar for Continental, Pannonian, Steppic & Black Sea Regions, which will take place in the period 16 – 18 October 2018 in Strasbourg, France. The seminar will be hosted by Region Grand Est and the address of the venue is: Maison de la Région, 1 place Adrien Zeller, Strasbourg 67070.

Please find a **map and directions** to the location in the attached file.

Herewith, we would like to invite you not only to participate in but also to contribute to the **Knowledge market**, which will take place on 16 October 2018, after the working group sessions.

The Knowledge market is a space for informal exchange of knowledge and information and the establishment of working relationships across national boundaries.

It will be organized as a poster session with focus on the case studies, projects and best practices, in relation to the four themes of the seminar:

- Linking site-level objectives, regional/national-level objectives and favourable reference values;
- Identifying and solving issues in relation to habitat type definitions;
- Better involving local land managers through integrated site management;
- Selecting biogeographical level conservation priorities and measures

The participants will have opportunity for a short presentation of the projects and key achievements.

In this regard, please indicate your intention to contribute to the Knowledge market and provide the information requested below:

Title of the poster/presentation:	
Organization:	
Brief description of the information or material you intend to present or use	
If you have already produced poster, please indicate its size	(horizontal cm. X vertical cm.)
Do you need a table for printed materials?	(Yes/No)
Do you need other facilities?	(Please specify)

Please send your reply not later than 28 September 2018 to the following email addresses: natura2000platform@wur.nl, BRexhepi@rec.org

Other important information: The participants in the Natura 2000 Seminar are advised to bring warm and waterproof tourist shoes and jackets for the second day of the seminar, when the field visits will take place.

Best regards,

Theo van der Sluis
Team leader, Natura 2000 Biogeographical Process
