17:30 Summary and of the meeting and closing of the meeting –
3° Floor ASST Santi Paolo e Carlo Block C

18:00 Departure by bus in front of the ASST Santi Paolo and Carlo Visit to family-owned farm “I Silos”. The farm is specialized in goat breeding and production of goat milk foods (cheese, yogurt, cakes). The enterprise deals also with cow breeding and produces beef. A third line of production is agriculture (hay and water meadow).

18:30 Farm tour with the owners (Be aware that it is necessary to wear appropriate clothing for the farm).

20:00 Dinner at the same farm “I Silos” (<https://www.isilos.it/>)

Friday September 20th 2019

SACURIMA WORKSHOP IN THE FRAME OF THE CONFERENCE. Provisional title: “Improving reporting of occupational diseases and promoting safety of agricultural production” to be held at “Clinica del Lavoro Devoto”, Via San Barnaba 8 20122 Milano. It is anticipated also the participation of Italian experts and stakeholders.
