

STØTTET AF

Promilleafgiftsfonden for landbrug

Agenda of the 10th meeting of the EU Nitrogen Expert Panel

25 & 26 November 2019, Brussels (Belgium)

25 November 2019

Location of the meeting:

Offices of Fertilizers Europe; avenue des Nerviens 9-31 – 1040 Brussels

Time	What	Who
12.30	Lunch	Fertilizers Europe
13.30	Presentation & approval of the agenda of the 10th session of the EUNEP	Lars Stoumann Jensen, University of Copenhagen and Chair of the EUNEP
13.40	Summary of outcomes of the Integrated Sustainable Nitrogen Management Workshop and TFRN Annual Meeting in Brussels 30 Sept-2 Oct	Tiffanie Stephani, Fertilizers Europe
13.55	Summary of outcomes of the INMS joint workshop on NUE indicators for demo regions and modelling - N indicators, modelling and demo case studies, in Madrid 18-21 Nov	Luis Lassaletta, University of Madrid
14.10	Preliminary results of the Safe Manure project: presenting the draft proposal	Wim Debeuckelaere, Policy Officer, Implementation of the Nitrates Directive – EU Commission, DG Environment
14.40	Best Management practices for improving NUE in arable farming	Oene Oenema, Wageningen University
15.00	Coffee break	
15.30	Critical peer-review of the BMP document	Jon Hillier, University of Edinburgh
15.45	Joint plenum discussion and intro to group work	Lars Stoumann Jensen
15.50	Break-out discussion in 3 groups	Lars Stoumann Jensen
17.00	End of day 1	

Location of the evening program:

Restaurant “Le Monde est Petit”; Rue des Bataves 65 – 1040 Brussels

Time	What	Who
18.30	Reception	Tiffanie Stephani
19.00	Dinner	Tiffanie Stephani

"Isis Goddess Lectures"		
20.00	Towards integrated sustainable nitrogen management in the EU	Veronica Manfredi, (Director – EU Commission, DG Environment
20.45	A new thinking behind Horizon Europe? – How the new EU R&I Framework program addresses sustainability transitions and competitiveness	Sven Schade, Policy Officer, Unit for Horizon Programs' Policy – EU Commission, DG Research
21.30	<i>Discussion</i>	
22.00	End of the evening program	

Location of the accommodation:

Hotel "Best Western Plus Park Hotel Brussels"; Avenue de l'Yser 21 – 1040 Brussels

26 November 2019

Location of the meeting:

Offices of Fertilizers Europe; avenue des Nerviens 9-31 – 1040 Brussels

Time	What	Who
09.00	Welcome	Lars Stoumann Jensen
09.05	Best Management practices for improving NUE: wrapping-up the group discussions (10 min. each + 20 min plenum discussion)	By the leaders of the 3 groups of discussion
09.55	Next steps & final revision of the document on BMPs for crops	Lars Stoumann Jensen & Oene Oenema
10.10	Coffee Break	
10.25	Towards BMPs for improving NUE in livestock farming	Lars Stoumann Jensen
10.40	How feeding strategies for animals can help improving NUE?	Arnaud Bouxin, Deputy Secretary-General, European Feed Manufacturers' Federation – FEFAC
11.10	How to improve NUE from utilization of animal manure?	Erik Meers, Gent University, coordinator of Biorefine Cluster Europe
11.40	Joint plenum discussion	
12.00	Concluding and assessing the opportunities for the EUNEP regarding BMPs for livestock	Lars Stoumann Jensen
12.30	Lunch	Fertilizers Europe

13.15	NUE concept in practice: Example applications of the NUE framework to farm level data for all main crops in the Netherlands, potatoes in regions of China, and wheat in a German catchment	Pytrik Reidsma, Wageningen University
14.00	NUE concept in practice: Differences in achievable NUE between soil types – an analysis of Danish Field trial data	Kristoffer Piil, SEGES
14.30	Other possible issues for the panel to look at in the future, incl. possibly costs and benefits of nitrogen and how to quantify those, or the implication of the enhanced focus on sustainable land management in the recent IPCC report?	Lars Stoumann Jensen
15.00	<i>Discussion</i>	Lars Stoumann Jensen
15.30	Conclusions of the meeting: – Closure of the meeting – Outlook for the next meeting, spring 2020 at Yara, Hanninghof, Germany	Lars Stoumann Jensen
16.00	End of day 2
