Important in the report to show what we have achieved in the case area in the project period 2019/2020. We promise EU from the beginning to show real progress in the case areas.

2. Documentation of focus group meetings on www.waterdrive.dk. Hope that we together in 2021 can fill in more text and explanations on the website.

3. What make sense to do in Waterdrive case areas 2021? – sparring between all of us.
What will you focus on?

Västervik case area, Sweden Gun Lindberg

Southern Finland drainage case area, Finland. Mikko Ortamala

Ljuga River case area, Leningrad, Russia Mikhail Ponomarev

Gurjevsk case area, Kaliningrad, Russia Irina Popova

Öltsamaa case area, Estonia Kaja Peterson

Jelgava case area, Latvia Ingars Rozitis/Zanda

Zuvintas Reserve and agriculture case area, Lithuania Elvyra Miksyte

4. Status of the leadership manual? By Magnus Ljung

The Participatory Toolbox will not be a part of this meeting because Elvyra and Malgorzata will soon take over the task because Uwe Rammert unfortunately are very sick and Franziska Kruse is leaving the project to another job.
