Plan for deliver catalog “New services”

- make a catalog simple with good graphics – easy for decisions makers to understand
- describe new services needed in connection with the gaps in governance structures for each country
- 2 pages per country
- make a template before summer
- **have a 1 day meeting in CPH to make the template (14th may)**
- have a workshop/session for all countries after summer to get each country started to fill in the template
- finish catalog begin 2021
