Meeting notes:

6 th report submitted (full report)

This report is still at the secretariat – send back two times. Finance issues.

They try to hurry is through due to deadlines. We are close to the 7 th. report.

Report 7 (only basic). Deadline 16.6 for Lead. Progress report to be finished before end of May. Barry going to send a template we can start out with

Need to confirm with Barry that we are going to a send a finance claim. Talk to Flemse about this

Revise result indicator in relation to extension (expected to increase)

Need to look more into this!

Budget rolled over to the extension period – seamless. We are behind spending!

Enabling citizen actions

Resilient Co-Governance frameworks

1 catchment delivering new citizen science programmes (one for each country)

Institutional advocacy – SEGES delivery! Capture that activity in a report. No specifying of particular numbers. Also on Mentoring & Support in regard to Sub-indicator – Mentoring and training provided to facilitators of co-governance solutions

No events in Holland before medicin

Lokal samverkan och medskapande arbetssätt för bättre vatten!

English version of the environmental drainage measure catalogue!

Contribute with some text on our journey?

May 20th – Evaluation report from Ilke. No space for input!

Doddle for finding the next data – also zoom meeting!
