Udarbejdet af Christian Rathcke Tegllund, Kommunikationskonsulent, Marketing & Fagkommunikation, 2021

A screenshot of a Facebook post from the page 'SEGES i marken', dated 29. april. The post features a video of Peder Stougård, a farmer from Haarby, speaking in a field. The video player shows the SEGES logo in the top left corner and a caption that reads 'Kom til Åbent minvådområde 12. og 27. maj 2021'. The post text encourages users to follow Peder's advice and visit the open minivådområde on May 12th and 27th to see how others have managed their minivådområde and get answers to their questions from farmers and consultants. A link is provided for more information: <https://bit.ly/3t1lg9a>. A comment from Henrik Have Erik Pedersen is visible, stating 'Synes godt om - Svar · 18 u.'. The post also has a 'Følger' button and a 'Mest relevante' dropdown menu.
