

PIGPEN LANGUAGE

**Always make sure
the sows have
healthy boobs**

[Genes nus nis dolecum fugia ium ea
Nient mi, experatis quate quam,
quosaped quam eiciis]

**The feeder must be
adjusted so you can
use the metal plate
as a mirror**

[Endiam, occus, aliquam se-
quias nestion etur? Paruptatem
et licia cum qui dolo]

Bad legs

[Genia imoloria ad eos volorio
reiumen dipsame volupta se-
quiam fuga]

**Write your own
sentence**

[Write your sentence in your
own language and have your
colleagues pronounce it
– feel free to laugh a little]

**Write your own
sentence**

[Write your sentence in your

colleagues pronounce it
– feel free to laugh a little]

**Write your own
sentence**

[Write your sentence in your
own language and have your
colleagues pronounce it
– feel free to laugh a little]

**Language barriers may be the cause of misunderstandings and errors in the pig farm.
Are you always fully aware of what is being said and meant, when several nationalities
are working together?**

**At [LMS.dk/grise](https://lms.dk/grise) you can find online courses about working in Danish pig production.
Take them with your colleagues. They're completely free of charge.**
